There is no question that digital video is garnering major consumer attention and that brands want to be a part of the experience. In order to fulfill digital video's long-term promise of delivering powerful brand advertising at scale, IAB is devoted to the advancement of the digital video medium in the global marketplace.

IAB

A brand is a name, term, design, symbol, or other feature that distinguishes an organization or product from its rivals in the eyes of the customer. Brands are used in business, marketing, and advertising. Name brands are sometimes distinguished from generic or store brands.. The practice of branding is thought to have begun with the ancient Egyptians who were known to have engaged in ...
