

communicating skills level 6 pdf

Nonverbal communication describes the processes of conveying a type of information in the form of non-linguistic representations. Examples of nonverbal communication include haptic communication, chronemic communication, gestures, body language, facial expressions, eye contact, and how one dresses. Nonverbal communication also relates to the intent of a message.

- Have you ever walked out of a meeting and realized that you didn't get anything done? Or have you ever entered a conversation at work with the best of intentions and it somehow devolved into an argument? If your team is constantly in these types of situations, it's likely because you struggle to communicate with empathy. And if you're not communicating with empathy, then you're probably not ...
