

european intellectual property review pdf

The Statute of Monopolies (1624) and the British Statute of Anne (1710) are seen as the origins of patent law and copyright respectively, firmly establishing the concept of intellectual property.. The first known use of the term intellectual property dates to 1769, when a piece published in the Monthly Review used the phrase. The first clear example of modern usage goes back as early as 1808 ...

Responsibilities. The IPO also has direct administrative responsibility for examining and issuing or rejecting patents, and maintaining registers of intellectual property including patents, designs and trade marks in the UK. As in most countries, there is no statutory register of copyright such that there is no direct administration required in copyright matters by the IPO.
