A little over a year ago I wrote a post about the flipped classroom, why I loved it, and how I used it. I have to admit, the flip wasn't the same economic and political entity then that it is now. And in some ways, I think that matters.

Why I Gave Up Flipped Instruction - Powerful Learning Practice

Through NSTA, you'll find leading resources for excellence in teaching and learning and experience growth through robust professional development. Plus you'll meet colleagues across all science disciplines, all grade bands and teaching stages, from the newest teacher to the veteran administrator, who share a passion for science education.

Greek has been spoken in the Balkan peninsula since around the 3rd millennium BC, or possibly earlier. The earliest written evidence is a Linear B clay tablet found in Messenia that dates to between 1450 and 1350 BC, making Greek the world's oldest recorded living language. Among the Indo-European languages, its date of earliest written attestation is matched only by the now extinct Anatolian ...
