Compensation, communication, and company culture are intrinsically linked. With PayScale's cloud compensation management software, employers have their finger on the pulse of their talent markets and are transforming the once dark art of compensation into a data-driven science.

## **Compensation Management Software - PayScale HR**

Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...
