Publicity is a way of communicating messages to the public and hopefully the target market segment. Designed to attract public attention and draw interest, publicity disseminates information concerning to product being marketed. The key to success is identifying ways to distribute meaningful content hoping that it will be shared with others.

Marketing for Libraries - eduScapes

From blog postings to press releases, the key to message design is understanding the desires, wants, needs, and interests of the audience. How will your communications convince people to check out a book, seek help from a librarian, or participate in a program?

Marketing for Libraries - eduScapes

Recently I have been approached by some of my close friends to join some chain marketing company. Normally, chain marketing companies works on the principle of Pyramid Scheme. A pyramid scheme is a non-sustainable business model that involves the exchange of money primarily for enrolling other people into the scheme.

Beware of Chain Marketing – AbhiSays.com

Strategies of differentiation and cost leadership have usually necessitated different and incompatible investments and organizational models. A strategy of differentiation for example implies high quality offerings, and significant investments in innovation, staff development and branding, leading to higher costs than average.
